ACKNOWLEDGEMENTS

First and foremost, I express my heartiest gratitude to all embracing all pervading graciousness of Almighty by whose mercy and benevolence, this research work could be started and finally completed. At the terminal juncture of my M.V.Sc. course and completion of my research work, I am perplexed as I haven’t enough words to appraise the helping hands.

Words are plenty but are sembling and struggling to burst my feeling to vocalize through words, that I have the privilege to express my deep sense of gratitude and indebtedness to my reverend guide cum major advisor Dr. L. L. Dass, University Professor and chairman, Department of Veterinary Surgery and Radiology, Ranchi College of Veterinary Science and Animal Husbandry, Ranchi, Jharkhand for his meticulous planning, speculative suggestions, untiring close supervision, constant encouragement, constructive and inspiring criticism and keen interest in the execution of the present work and during the preparation of the manuscript.

I express my sincere thanks to Dr. Arvind Sharma, Assistant Professor of Veterinary Surgery and Radiology, Dr. Vinod Kumar and Dr. Samir Sahay, Teaching Associate, Veterinary Surgery and Radiology, Ranchi Veterinary College for their constant support and helping hands.

I accord my sincere thanks and indebtedness from core of my heart to the members of my advisory committee Dr. K. K. Singh, University Professor and Chairman, Veterinary Pathology, Dr. B. K. Roy, University
Professor and Chairman, Veterinary Pharmacology and Toxicology and Dr. M. P. Singh, University Professor, Department of Animal Reproduction and Obstetrics, Ranchi Veterinary College, Ranchi for his meticulous planning, constant supervision and guidance, speculative suggestion, critical examination of the manuscript and whole hearted help, valuable advice, encouragement and selfless help during the entire study period.

I accord my sincere thanks and indebtedness to Dr. R. Yadava, Univ. Prof and Chairman, Veterinary Public Health, Dr. M.K. Gupta, Associate Professor, Veterinary pathology, Dr. R. L. Prasad, Univ. Prof and Chairman, Veterinary Biochemistry, Dr. Arun Prasad, Univ. Professor, Veterinary Microbiology, Dr. K. D. Prasad, University Professor and Chairman, Veterinary Parasitology, Dr. A. K. Ishwar, University Professor and Chairman, Veterinary Physiology, Dr. A. P. Sinha, University Professor and Chairman, Animal Nutrition, Dr. A. K. Pandey, Associate Professor and Dr. J. Oraon, Associate Professor and Head , Veterinary Extension, Ranchi Veterinary College, Ranchi

I am highly obliged to Dr. N. N. Singh, Hon’ble Vice-Chancellor, Birsa Agricultural University, Ranchi for his valuable and kind contribution in providing necessary facilities and funds to execute this work successfully.

Heartiest gratefulness is extended to Dr. A. K. Sinha, Dean of the Faculty of Veterinary Science and Animal Husbandry and Dr. G. S.
Dubey, D.R.I-cum-Dean, P.G.S., Birsa Agricultural University, Ranchi for providing all the requisite facilities to carry out this work smoothly.

I must express my sincere thanks from the eternity of heart to my friends, Late Dr. Kumar Saurabh Samir and Dr. Rajesh Tiwari, Dr. Piyush Prashant, Dr. Ram Singh, Dr. Vinay Mishra, Dr. Chandrashekhar, Dr. Shivanand Kanshi, Dr. Avinav, Dr. Manoj Bharti, Dr. Jeevan, Dr. Archana, Dr. Sunita, Dr. Rani, Dr. Sumita for their helping hand and giving me valuable suggestions and moral support.

I am also extremely obliged and thankful to my seniors, Dr. Praveen Ranjan, Dr. Raman Thakur, Dr. Jitendra, Dr. Mritunjay Prasad Singh, Dr. Pankaj Kumar Sinha, Dr. Vijay Kumar, Dr. Jyoti Sinha, Dr. Mukesh Prasad, Dr. Kaushalendra, Dr. Sunil Toppo, for their valuable suggestions and moral support during the research work.

I am thankful and obliged to Dr. S. S. Harsh, Dr. Shadeo Murmu for their moral support and untiring help.

I am obliged to non-teaching staff members, M/S. Ramdhan, Safi Ahmad, Naseem, Prabhat, Sushil, Budhwa, Tirthu, Budhni, Savina and others who have helped me during the entire period of my study.

Sincere thanks are extended to staff members, M/S. Rizu, Indu, Rajat, Munni and others of Veterinary Pathology for their help and support during my histopathological work.
I record my profound appreciation to my heart touching and warm feeling to my father Sri C. Mishra, my mom Smt. Aruna Mishra, elder brother Mr. Rajesh Mishra and Bhabi for their blessings, enthusiastic moral support, inspiration and deep affection during entire period of study. I owe them what I am today.

I cordially thank to my brother Mr. Manoj Mishra for their valuable suggestions and sincere support throughout my career.

I am thankful to my wife, Vijeta for her continuous support and moral boost up during my research period. I am also thankful to my niece Priya and Honey and my son Ankit for their love, which kept me in motion during tiresome research.

Above all, I glorify God for giving me a life filled with goodness and mercy. I pray Him to keep His sight always on me.

Place: Ranchi
