ACKNOWLEDGEMENT

With great sense of modesty and reverence I wish to express my sincere gratitude to my reverend guide and Major Advisor Dr. S. Haque, University Professor and Chairman, Department of Veterinary Medicine, Ranchi Veterinary College, Ranchi for his meticulous planning, inspiring guidance, valuable suggestions, untiring surveillance, constant encouragement, constructive and inspirational criticism and keen interest in the execution of the present work and painstaking critical examination of the manuscript.

I accord my sincere thanks and indebtedness to the members of the advisory committee, Dr. K.D. Prasad, University Professor and Chairman, Department of Veterinary Parasitology, Dr. B.K. Tiwary, University Professor and Chairman, Department of Veterinary Microbiology and Dr. A.P. Sinha, University Professor and Chairman, Department of Animal Nutrition, Ranchi Veterinary College, Ranchi for their precious suggestions, help and co-operation.

I would like to extend my sincere thanks to Dr. S.K. Singh, University Professor and Chairman, Department of Animal Breeding and Genetics, Ranchi Veterinary College, Ranchi for his valuable suggestions and kind cooperation in the statistical analysis of the data.

I express my profound sense of gratitude and indebtedness from the core of my heart to Dr. Praveen Kumar, Dr. Ansar Ahmad, Dr.
Swaty Sahay, Dr. Abhishekh Kumar and Dr. Pallav Shekhar, All Assistant Professors, Department of Veterinary Medicine, for their precious help, last minute moral boostup for thesis presentation and valuable suggestions.

I express my deep appreciation to Dr. D.K. Singh “Dron”, ADR, Birsa Agricultural University, Ranchi for his valuable suggestions and selfless help in the statistical analysis of the data.

I express my sense of gratitude and thanks to Dr. M.K. Gupta, Dy. Registrar (Academic), Ranchi Veterinary College, Ranchi for his valuable help and encouragement during entire period of study.

I express my heartfelt thanks to Dr. A.K. Sinha, Dean of the faculty, Ranchi Veterinary College, Ranchi for providing all the requisite facilities to carryout the work smoothly.

I also feel obliged to Dr. G.S. Dubey, DRI-cum-Dean, post graduate studies, Birsa Agricultural University, Ranchi for his kind cooperation from time to time.

I am highly obliged to Dr. N.N. Singh, Hon’ble Vice-Chancellor, Birsa Agricultural University, Ranchi for his valuable and kind help by providing necessary facilities and funds to execute this work successfully.

I wish to express my feelings of appreciation and gratitude to my reverend professors. Dr. L.L. Dass, Dr. B.K. Roy, Dr. Rajendra Yadav, Dr. Md. Kalimuddin, Dr. K.K. Singh, Dr. Balraj Singh, Dr. M. Alam,
Dr. M.P. Sinha, Dr. A.K. Sinha, Dr. A.K. Srivastava, Dr. J. Oraon, Dr. M.P. Singh, Dr. R.L. Prasad and Dr. Arun Prasad for their invaluable support, co-operation, affections and blessings during the research work.

There is hardly any word to express my sincere thanks to my colleagues Dr. Shailendra Kumar Tiwary and Dr. Nupur Koyal, M.V.Sc. students, Department of Veterinary Medicine, Ranchi Veterinary College, Ranchi for their selfless untiring help during entire period of my research work.

I am highly obliged to my seniors Dr. Deepak Sharma, Dr. Z.H. Sarwar, Dr. N.A. Tufani, Dr. Anil Rajak, Dr. Anil Das, Dr. U.B. Mehta, Dr. Aftab Adil, Dr. Saroj, Dr. Ganesh, Dr. Murmu, Dr. Pankaj Seth, Dr. Dinesh, Dr. Santosh Pal, Dr. Tajdar, Dr. Samir and Dr. Vijay Munda for their constant help and moral support during entire period of my work.

With immense pleasure, I extend my thanks to Dr. Tanveer, Dr. Pramod, Dr. Rajeev, Dr. Sanjay, Dr. Nag, Dr. Manoj Bharti, Dr. Santosh Yadava, Dr. Raman, Dr. Praveen and Dr. Joyti for this co-operation and time to time help during my research work.

Special word of thanks go to my juniors Dr. Mirtunjay, Dr. Awadh, Dr. Ziaul, Dr. Amit, Dr. Mukul, Dr. Sanjay, Dr. Prakash and Dr. Raghuvir for their kind affection and help.

Sincere gratitude is expressed to Mr. Puran Mahto, Mr. Dulla Lakra, Mr. Sunil, Mr. Safique, Mr. Shamim, Smt. Rajni, and Smt.
Pholo, Department of Veterinary Medicine for their help during research work.

Mr (Late) Md. Kudus and his son Imteyaz Ahmad (Guddu) has taken great pains in careful computer typing of the manuscript of the thesis and deserves my whole hearted complement and thanks.

I am particularly grateful to my aunty, Anisha Khatoon, and most respected uncle Md. Ashfaque Ahmad, Sadar Anjuman Islamia, Patra Toli, Kanke, Ranchi for their extreme patience, sacrifices, encouragements and good wishes gained during the entire period of investigation.

I express profound sense of gratitude from the core of my heart to respected Mama Mr. Eahsan Safi and Mami Smt. Roshan Jahan.

I wish to record sincere respect to my elder brother (Mr. Zafeerul Hasan), younger ones (Nazmul, Nazrul, Sadrul and Modassar) and sisters (Qaisar and Farheen) for their keen interest and great moral support.

Words are not enough to express my warm love, appreciation and the heartiest gratitude to my beloved wife, Talat Afroze for her untiring care, love, inspiration, unfailing moral support with patience and great sacrifice to take up the challenges of life with success in general and for a grand completion for this present study in particular.

Words are also not enough to express heart touching and warm feeling to, one lovely flower of our life, my daughter, Mantasha
(Fariyal) for her love and endless sacrifice which proved a potential source of inspiration and great moral support during the present study.

Last but not the least I express my heart touching and warm feelings to my “Amma” and “Abba” for their blessings, enthusiastic moral support, inspiration and deep affection during the entire period of study, I owe them what I am today.

Above all, I pay my due respect to God almighty for making my work easy, providing me with immense facilities and helping me in all my endeavors.
