ACKNOWLEDGEMENT

I take this opportunity to express my deep appreciation and sense of indebtedness to my erudite mentor, veteran Dr. Narendra S. Rathore, Dean, College of Technology and Engineering, Udaipur, for his invaluable expert guidance, constant encouragement, talented and versed advice, helpful suggestions and untiring efforts, personal affection and care bestowed throughout the period of project work and thesis preparation.

I am highly indebted to my advisors Dr. A. K. Kurchania, Professor, DREE, Dr. S. K. Jain, Associate Professor, DPFE, Dr. Sudhir Jain, Associate Professor and Er. N. L. Panwar, Assistant Professor, DREE, College of Technology and Engineering, Udaipur for their valuable guidance, constructive criticism, suggestions and whole hearted support in completion of this compendious study.

I wish my sincere thanks to Dr. Surendra Kothari, Professor and Head, Dr. Deepak Sharma, Associate Professor, Dr. (Mrs.) Nafisa Ali, Associate Professor, Department of Renewable Energy Engineering, College of Technology and Engineering, Udaipur, for their valuable guidance, constant inspiration, constructive criticism.

I record my indebtedness to, Shri. Dilip Bhatnagar, Mrs. Kanta Khaturia, Shri. K. L. Paneri, Shri. Dinesh Agrawal and all the staff members of Department of Renewable Energy Engineering, College of Technology and Engineering, Udaipur for their presence throughout the course of study made it easier.

My most deeply felt acknowledgement goes to the members of workshop of Department of Renewable Energy Engineering without their efforts the heavy fabrication work would have not been possible. Thanks are also to all the supporting staff members who helped me during the project work.

I wish my thanks to my seniors and all my friends for providing their assistance and moral support during the project work. I extend my thanks to those who helped me directly and indirectly during the project work.

On my personal note I owe a great deal of love to my parents, sisters, and my wife for their constant moral support, inspiration and help during the project work.

Place: Udaipur
