ACKNOWLEDGEMENT

My postgraduate journey is nearing an end. As I sit today in retrospect, I picture myself naïve about research and now I wonder how in spite of it, I am at its final course. Certainly, one man flashes distinctly before my mental eye unmistakingly, he is my honourable Major Guide Dr. J. N. Nariya, Professor, College of Agriculture, J.A.U., Amreli. I have no words to express my heartfelt thanks to him for his illuminating guidance, unfailing encouragement, scholarly suggestions, constructive criticism, judicious supervision, sympathetic attitudes, amiable behaviour and keen interest throughout the course of this investigation and preparation of the manuscript.

This memorable occasion provides to me a unique privilege to offer sincere thanks to the advisory committee, Dr. P. K. Chovatia (Minor Guide), Associate Professor, Dept. Of Agronomy, College of Agriculture, Junagadh Agricultural University, Junagadh, Dr. A. V. Rajani (Member), Assistant Professor, Department of Agril. Chemistry and Soil Science, College of Agriculture J.A.U., Junagadh and Dr. S. M. Upadhyay (Member), Professor & Head, Department of Agricultural and Statistics, J.A.U., Junagadh for their useful suggestions, constant attention and help throughout the period of investigation.

I also record my sincere thanks to Dr. A. R. Pathak, Hon’ble Vice Chancellor, Dr. V. P. Chovatia, Director of Research & Dean PG Studies and Dr. A. V. Barad, Principal & Dean, College of Agriculture, J.A.U., Junagadh for providing necessary facilities during this study.

I am highly thankful to Dr. N. B. Babaria, Professor and Head, Department of Agricultural Chemistry & Soil Science, J.A.U., Junagadh for their valuable suggestions and providing necessary facilities to carry my research experiment and for their ever willing co-operation, encouragement and care.
