ACKNOWLEDGEMENT

It is a matter of pleasure to glance back and recall the path one traverses during the days of hard work and pre-perseverance. It has still great at this juncture to recall all the faces and spirit in the form of teachers, friends, near and dear ones. I would consider this work nothing more than incomplete without attending to the task of acknowledging the overwhelming help I received during this endeavour of mine.

Every author owes a debt to his teachers. I seize this opportunity to express my deep sense of indebtedness and profound gratitude towards my Major Advisor Dr. R. S. Chovatia, Professor & Head, Department of Horticulture, College of Agriculture, Junagadh Agricultural University, Junagadh for his keen interest, scientific guidance, constructive criticism and inspiration during the course of research work and preparation of this thesis.

I am sincerely thankful to all the members of my Advisory Committee, Dr. K. B. Polara, Professor, Department of Agril. Chemistry and Soil Science; Dr. D. V. Delvadiya, Professor, Dept. of Horticulture; Dr. Chetna Mandavia Professor & Head, Dept. of GPB and Dr. D. K. Varu Associate Professor, Dept. of Horticulture, College of Agriculture, Junagadh Agricultural University, Junagadh, for their valuable suggestions during the period of my study.

I also record my sincere thanks to Dr. A. R. Pathak, Hon. Vice Chancellor; Dr. V. P. Chovatia, Director of Research and P. G. Dean; Dr. A. V. Barad, Principal and Dean; College of Agriculture, Junagadh Agricultural University, Junagadh for providing necessary facilities during my study.

I wish to convey my special thanks to Dr. R. R. Viradia and Dr. A. N. Makwana Professor, Department of Horticulture, JAU, Junagadh and Dr. D. R. Kanzaria, Dr. K. M. Kareth, Dr. K. D. Patel and Dr. N. D. Polara, Associate Professor, Department of Horticulture, JAU, Junagadh, and for their useful suggestions throughout the course of the research work and all the staff of Department of Horticulture for providing guidance and necessary helps to me during the period of study.

I heartly thanks to a farmer, Arvindbhai Bhueba who gave me permission for my research experiments on pomegranate in his farm.
The importance of library and role of its staff can never be underestimated, but it is mostly forgotten during acknowledgement. I am deeply indebted to this “MANDIR”.

True friends are rare and I am fortunate to have such friends like Gunjan, Rakesh, Kishan, Hardik, jaydeep, vatsal, divyesh, hiren, Samir, Viral, dhruv, kishan, Senior friends Rajesh, Dr. Bijal patel, Dr. Bhavesh Patel, Dr. Sunil, Dr. Bhagirathsingh also to all other colleague for their willing cooperation, joyful company and good wishes.

One last word; since it is practically impossible to list all the names who contributed contributions to my work, it seems proper to issue a blanket of thanks for those who helped me directly or indirectly during the course of study.

Indeed, the words are just not sufficient to convey the depth of my feelings and gratitude for the blessing, love, affection, inspiration, support and constant encouragement extended by my beloved Late Grandfather Naranbhai, Grandmother Muktabaa, parents father Kishorbhai, mother Sumitaben and Father in law Fullabhai, Mother in law Jayaben and sister in law bindiya and brother in law prince, and noteworthy thanks to my ‘unique pal’ little sister Swara, Sejal and Foram and lovely brother Nishant and Krupal. Special thanks to my wife Rinkal for her scarifies, blessings and everlasting love, which enabled me reach at this stage.

I heartly thanks to the almighty and my grate caretaker, as a Guru Babudada and Jayntikaka.

Lastly but not least, I thanks to the almighty and my grate caretaker, “Lord Hanuman” and “Adhyashakti maa” who helped me on every path of life and made every step great success and because of their worship I can achieve present situation and hope for future life.

Now, as I carry this in my hand, I carry with me memories that will enrich my nostalgia.

…and any omission in this small manuscript does not mean lack of gratitude.
