ACKNOWLEDGEMENT

It is a matter of pleasure to glance back and recall the path one traverses during the days of hard work and pre perseverance. It has still great at this juncture to recall all the faces and spirit in the form of teachers, friends, near and dear ones. I would consider this work nothing more than incomplete without attending to the task of acknowledging the overwhelming help I received during this endeavour of mine.

With full honour and ecstasy of delight, I express my heartfelt and sincere thanks to my affectionate and honourable advisor Dr. V. P. Chovatia, Director of Research and P.G. Dean, Junagadh Agricultural University, Junagadh for impeccable guidance, constant endeavour, incessant encouragement, unceasing interest, judicial supervision and constructive criticism throughout the course of investigation leading to surmount this task to a successful completion.

I have great pleasure in recording my greatfulness to the member of my advisory committee, Dr. M. B. Patel, Associate Research Scientist, Main Maize Research Station, Godhara, AAU, Dr. R. B. Madariya, Associate Research Scientist, Main Oilseeds Research Station, JAU, and Dr. D. V.
