ACKNOWLEDGEMENTS

From the depth of my heart, I express my deep sincere gratitude to God for the Blessings he had bestowed upon me to do this work.

With great reverence, I express my warmest feelings with deepest sense of gratitude to my Major Guide, Dr. H. R. Vadar, Assistant Professor, Department of Soil and Water conservation Engineering, College of Agricultural Engineering and Technology, Junagadh Agricultural University, Junagadh. I have no words to express my heartfelt thanks for his illuminating guidance, unfailing encouragement, scholarly suggestions and constructive criticism during the course of my research and preparation of this report.

May I make this opportunity to thank all the members of my advisory committee, Minor Guide Dr. K. B. Parmar, Associate Research Scientist, Directorate of Research, JAU, Junagadh, Prof. N. K. Mistry, Associate professor, Department of Renewable Energy & Rural Engineering and Prof. H. H. Mashru, Assistant Professor, Department of Soil and Water conservation Engineering, College of Agricultural Engineering and Technology, JAU, Junagadh, for their constant attention, formulation of curriculum and offering valuable suggestions throughout the period of investigation.

I acknowledge with thanks to Dr. A. R. Pathak, Hon'ble Vice-chancellor, Junagadh Agricultural University, Junagadh, Dr. V. P. Chovatia, Director of Research and Dean PG Studies, Junagadh Agricultural University, Junagadh, Dr. N. K. Gontia, Principal & Dean, College of Agricultural Engineering and Technology, Junagadh Agricultural University, Junagadh for giving me opportunity for completing research work and providing necessary academic facilities.

I would like to thank Dr. H. D. Rank, Professor & Head, Department of Soil and Water conservation Engineering, College of Agricultural Engineering and Technology, JAU, Junagadh, Dr. R. M. Satasiya, Research Engineer, AICRP on PET, Department of Renewable Energy and Rural Engineering, Dr. H. V. Parmar, Associate Professor, Dr. R. J. Patel, Assistant Professor, Prof. P. B. Vekariya, Assistant Professor and all other staff members of the Department of Soil and Water conservation Engineering, JAU, Junagadh for rendering their constant help, support and kind cooperation during my study.
I would like to thank Dr. J. M. Modhvadiya Farm Manager, Mr. H. K. Lakhnotra, Agriculture Assistant and Mr. B. T. Kevadiya, Agriculture Assistant and all staff members of the Instructional Farm, CAET, JAU for their support during the period of my study to move this work from idea to reality.

I am fortunate to have good senior, classmates and juniors Vivekbhai, Divyeshbhai, Ankur, Shailesh, Suarav, Dax, Kasiyap, Piyush, Sreeja, Mamtha, Mayuri, Janki, Hemangi & Bhavisha and all who have co-operated in this endeavor and partnership by contributing significantly to my academic success. I am thankful those who rendered their co-operation directly and indirectly.

It is difficult to find words to express how much gratitude and heartfelt respect I have for my parents and family for their continued encouragement and inspiration throughout the study.

Place: Junagadh
Date: 06/09/2017
