ACKNOWLEDGEMENT

With soul searching memories…..

First and above all, I would like to express my great thanks to God, for helping me to accomplish this work.

I would like to express my sincere gratitude and appreciations to my major guide Dr. K. D. Patel, Principal, Polytechnic in Horticulture, J.A.U., Junagadh for his unreserved support and invaluable guidance in undertaking my M.Sc. thesis study. He had very great contributions in the inception, development of the proposal, execution of the fieldwork formulation of the formal questionnaire and correction the numerous drafts.

I am also very grateful to my minor guide Dr. K. B. Parmar, Associate Research Scientist, Directorate of Research, J.A.U., Junagadh for always sparing time for me. Since, the inception of the study, reading the manuscript throughout and making very important comments, he maintained much closed interest in this work.

I also record my sincere thanks to Dr. A. R. Pathak, Vice Chancellor, Dr. V. P. Chovatia, Director of Research and P. G. Dean, Dr. B. K. Sagarka, Principal, College of Agriculture, Junagadh Agricultural University, Junagadh for providing me necessary facilities during my study.

I am greatly indebted to Dr. R. S. Chovatia, Professor and Head, Department of Horticulture, College of Agriculture, J.A.U., Junagadh. Who by virtue of his rich experience, deep knowledge and great vision offered timely support, due encouragement, creative suggestions and ever willing help throughout the period of my study.

I wish to express sincere and heartfelt thanks to the members of advisory committee, Dr. D. K. Varu, Associate Professor, Department of Horticulture, College of Agriculture, J.A.U., Junagadh and Dr. D. V. Patel, Associate Professor, Department of Agricultural statistics, College of Agriculture, J.A.U., Junagadh for their willing help, constructive criticism and timely advice for providing me all kinds of help and encouragement for statistical analysis.

The help extended by the staff of Libraries of JAU is highly acknowledged.
My deep heartfelt thanks to all the respondents of the study who were very co-operative and kind.

I thank full to all the staff members of Madhadibaug research farm Heenaben, Department of Horticulture, JAU, Junagadh for rendering constant help for successful conduction of the research work.

I express my sincere thanks to my department staff members Kathadbhai of Department of Horticulture, JAU, Junagadh for their valuable time and provide materials and equipment’s during the course of this investigation.

I express my heartiest feelings through words to my beloved Parents Shri Hirabhai and Smt. Valiben without whose moral support, sacrifice and blessings, my dream would not have been a reality. My Sisters Krishna and My younger brothers Yogesh, Sarmanbhai, Ranmal, Naranbhai, Jagdishbhai, and Sureshbhai whose moral support influence me immensely in realizing my goal.

I would like to extend a multitude of thanks to my friends Akash, Vinod, Bipin, Maulik Ankit, Vipul, Mukesh, Vatsal, Jignesh(jerry), Sunny, Mahendra, Jignesh, Rahul, Dilip, Vanraj, Sagar, Sumit, Herry, Abhay and all my U. G. and P. G. friends who have inspired me and helped me in all respects during this study to whom I remain indebted forever.

To all of you whom I have named please accept my deepest Thanks and to whom I have not named please know that even though you are unnamed in this work you are not unknown to me and you are appreciated more Thanks.

Lastly I am thankful to the GOD and my GURUJI and all whenever have helped in making this mission for the study a success.
