Pursuing a degree is both painful and enjoyable experience. It’s just like climbing a high peak, step by step, accompanied with bitterness, hardships, frustration, encouragement and trust and with so many people’s kind help. When I found myself at the top enjoying the beautiful scenery, I realized that it was, in fact, teamwork that got me there. Though it will not be enough to express my gratitude in words to all those people who helped me, I would still like to give my many thanks to all these people.

Indeed the words at my command are not adequate to convey the depth of my feeling and gratitude to my honorable major guide, Dr. G. U. Kulkarni, Assistant Professor, Department of Genetics and Plant Breeding, College of Agriculture, JAU, Junagadh, for his most valuable and inspiring guidance with his friendly nature, love and affection, for his attention and magnanimous attitude right from the first day, constant encouragement, enormous help and constructive criticism throughout the course of this investigation and preparation of this manuscript.

This memorable occasion provides to me an unique privilege to offer sincere thanks to the members of my advisory committee, Dr. L. K. Sharma, Assistant Professor, Department of Genetics and Plant Breeding, College of Agriculture, JAU, Amareli Dr. V. J. Bhatiya, Professor & Head, Department of Seed Science and Technology College of Agriculture JAU, Junagadh Dr. M. A. Vaddoria, Research Scientist (O & G) Vegetable Research Station, JAU, Junagadh and Dr. N. J. Rankja, Assistant Professor Department of Agricultural Statistics College of Agriculture JAU, Junagadh for their useful suggestions, constant attention and help throughout the period of investigation.

I acknowledge with thanks for the facilities provided by Dr. A. R. Pathak, Honourable, Vice Chancellor, Dr. V. P. Chovatia, Director of Research and Dean, P. G. Studies, Dr. B. K. Sagarka, Principal, College of Agriculture, JAU, Junagadh and all the staff members of academic branch as well as central library for their ever willing co-operation and encouragement. I also acknowledge with thanks to Indian Institute of Vegetable Research, Varanasi for providing me a valuable germplasms of okra.

I am sincerely thankful to Dr. V. J. Bhatiya, Professor and Head, Department of Seed Science and Technology, Dr. J. B. Patel, Associate Professor, Department of Seed Science and Technology, Dr. C. A. Babariya Assistant Professor,
Department of Seed Science and Technology, Ms. Jyoti Sondarva, Assistant Professor, Department of Seed Science and Technology, Mrs. Dipali Vora, laboratory technician Department of Seed Science and Technology, College of Agriculture, JAU, Junagadh, and all the staff members of Department of Seed Science and Technology, for providing guidance and necessary help during period of my study.

I am grateful to my seniors Anjita Hirapara, Sagar Chormule, Jatin Ukani, kiran mori, vaishalee mori, Arpana Vaja, Chana Chetariya for their encouragement and helpful suggestions during my research work.

To me research is not one man’s endeavour. At each stage of this work a big group of my friends including Pooja, Bhumi, Riddhi, Ruchi, Salani, Kiran, Khyati, Rohit, Divyesh, Jaydeep, Umesh, Paresh, Lax, Akash, Markhi, Bhargav, Narsh, all shared my labour. All the friends are so intimate that it seems awkward to say them “Thank You”. Rather I shall always be willing to help them whenever opportunity arises.

At last but foremost, I express my gratitude to my Grandpa Mr. Bhayabhai, Grandma Mrs. Raniben, Father Mr. Hamirbhai, Mother Mrs. Neetaben, Uncle Mr. Jethabhai, Bhojabhai, Aunty Bhanuben and Brother Jagdish and Milan and Sister Nilam, whose selfless love, filial affection, constant encouragement, obstinate sacrifices, sincere prayer, expectations and blessing have always been vital source of inspiration in my life. Words run short to express my indebtedness to my beloved parents. Most humbly, I bow my head with reverence to my venerable papa and mummy and lots of love to my brother and sister whose incessant love, kind blessings and inspiration made me to achieve this goal.

A millions thanks to my best friend “Lord KRISHNA”, “Lord GATRAD MATAJI” and the almighty and my great caretaker, had always been there with me for showing their blessings and compassion everlasting, whose grace is always to motivate and inspiring to me for every moment of my work and have brought boundless joy to my life.

Now, as I carry this in my hand, I carry with me memories that will enrich my nostalgia.
