AKNOWLEDGEMENT

I shall ever, remain thankfully indebted to all those learned souls, my present and former teachers, known and unknown hands who directly or indirectly motivated me to achieve my goal and enlightened me with the touch of their knowledge and constant encouragement. I feel this is an extremely significant and joyous opportunity bestowed upon me by the goddess of learning, to think about and thank all those persons.

In appreciation for the great efforts toward making me a better student, my thanks go to my major advisor Dr. J. S. Patel, Professor & Head, Department of Veterinary Medicine, College of Veterinary Science & Animal Husbandry, Junagadh Agricultural University, Junagadh, Gujarat. His patience and understanding encouraged my interest in learning and his motivation pressed me to reach my goals as a post-graduate student.

I take this opportunity in expressing my heartfelt thanks to my Minor Guide Dr. S. H. Talekar, Associate Professor & Hospital Superintendent, Teaching Veterinary Clinical Complex, College of Veterinary Science & Animal Husbandry, Junagadh Agricultural University, Junagadh, Gujarat for his continuous motivation and indispensible suggestions and counseling during the study and research period.

Heartfelt thanks also go to the members of my post-graduate committee, Dr. V. L. Parmar, Assistant Professor, Department of Veterinary Medicine, JAU, Junagadh, Dr. V. A. Kalaria, Assistant Professor, Dept. of Veterinary Pathology, College of Veterinary Science and A.H., Junagadh Agricultural University, Junagadh, Gujarat for their coaching and support during my study & research endeavors.

I take this opportunity in expressing my heartfelt thanks to Dr. Binodkumar, Assistant Professor & Head, Department of Veterinary Parasitology, College of Veterinary Science & Animal Husbandry, Junagadh Agricultural University, Junagadh, Gujarat for his continuous motivation and indispensible suggestions and counseling during the study and research period.

I am profoundly thankful to Dr. P. H. Tank the Principal and Dean, College of Veterinary Science and Animal Husbandry, JAU, Junagadh for providing excellent research facilities and an opportunity to pursue my higher studies from such an esteemed institute of Gujarat state.
ACKNOWLEDGEMENT

I would like to special thank Dr. Amit Prasad, Former Assistant Professor, Department of Veterinary Medicine, JAU, Junagadh, and Dr. Joice P. Joseph, Assistant Professor, Department of Teaching Veterinary Clinical Complex, JAU, Junagadh, Dr. Vineetkumar, Assistant Professor, Department of Veterinary Surgery and Radiology, Dr. K. H. Parmar, Assistant Professor, Department of Teaching Veterinary Clinical Complex, Dr. N. R. Padaliya, Assistant Professor, Department of Teaching Veterinary Clinical Complex for their unreserved help, providing constant inspiration and support during entire research work, without that it was impossible. I am deeply grateful to him for the long discussions that helped me sort out the technical details of my work.

I would also like to keep in mind the help rendered to me by Dr. B. R. Maharana, Former Assistant Professor, Department of Veterinary Parasitology and Dr. B. J. Thakre, Assistant Professor, Department of Veterinary Parasitology for their technical guidance and suggestions on various topics, which enabled me to complete the work successfully and satisfactorily. I also give special thanks to for their help whenever needed.

I also wish to record my thanks to Dr. A. R. Bhadania, Assistant Professors and Head, Department of Veterinary Pathology and Dr. D. T. Fefar, Assistant Professors and Head, Department of Veterinary Pathology, Dr. B. B. Javiya Assistant Professors and Head, Department of Veterinary Microbiology, Dr. D. B. Barad and Dr. B. S. Mathapati, Assistant Professors, Department of Veterinary Microbiology, College of Veterinary Science and A.H., Junagadh for providing the facilities during my research work.

I also wish to record my thanks to Dr. R. J. Padodara, Assistant Professors and Head, Department of Veterinary Physiology and Dr. V. K. Singh, Assistant Professors, Department of Veterinary Physiology, College of Veterinary Science and A.H., Junagadh for sharing his knowledge during my research work.

I fail in words to express my earnest thanks to Dr. D. G. Vaghamashi, Assistant Professor, Instructional Livestock Farm Complex, College of Veterinary Science and A.H., Junagadh, who always kept me under shade of their affection and given me inspiration throughout my college life.

I also extend my gratitude to my seniors and fellow colleagues for their valuable efforts and advice, Drs. Viram Vaja, Piyush Dodiya, Kushang Murabiya,
Vipul Chauhan, Mithun Khataria, Mahesh Chaudhary, Jeemi Patel, Piyush Chikhaliya, Anirudhsinh Zala, Pritesh Kalavadiya, Akash Kosiya, Pradip Boradiya, Bharat Gohil and Suman Trivedi. I also thank my juniors Bhaumik Barasara, Nitin Mori, Jaydeep Pipaliya, Suresh Prajapati, Sagar Paneliya, Vivek Kalola, Harpalsinh Gohil and Vimal Parmar for their jovial company and help rendered during this period and all the known and unknown friends who provide me unreserved help and made my time unforgettable, enjoyable during study.

It is like a drop in the ocean of words that can never reach its mark to acknowledge infinite love, blessings, sacrifices and constant encouragement of my beloved parents Shri Bhagvanjibhai Chhaganbhai Manvar and Shrimati Bhanuben Bhagvanjibhai Manvar and my dear brother Ravikumar Bhagvanjibhai Manvar and my dear sister sharmilaben Dilipbhai Vaghamashi who have been the sole source of inspiration for me to proceed ahead in my life.

Last but not the least, I thank to Ankita, Gorbhai, Marshal, Chitrang, Anilbhai, Rajubhai, Bipinbhai, Vasantbhai, Puriben, Vinubhai, Kaushikbhai, Rohit, and all the individuals who have in any way been associated with the completion of this work but have not been mentioned so far.
