This thesis represents not only my work at laboratory or at the keyboard; it is milestone of the end of my journey to pursue my Doctorate (PMBB) Research work. My experience of this journey was with lots of ups and downs but it would not have been possible to write this thesis without the help and support of the kind people around me. At the end of my thesis, I am very happy to express my gratitude to all those who contributed in many ways to the success of this study and made this journey one of the most memorable experience for me.

First of all I express my deep sense of adoration and prostrations towards the omniscient and almighty god for giving me this opportunity in my life and made me whatever I am today.

I want to express my deep sense of gratitude and I feel honored to work under the guidance of that person, my Major guide, Dr. D. R. Mehta, Associate Professor, Department of Genetics & Plant Breeding, JAU, Junagadh and chairman of my Advisory Committee for expertly evaluating, judiciously correcting and continually offering his encouraging guidance and help during the course of investigation and preparation of manuscript. His admirable foresight, helpful nature and sense of discipline, profound knowledge and devotion to his work were always a source of inspiration which helped me to complete this study. Words are inadequate to express my gratitude.

My grateful and sincere thanks to the Minor guide of my advisory committee, Dr. M. K. Mandavia, Professor, Department of Biochemistry, JAU, Junagadh, her constant attention and offering valuable suggestions throughout the period of my research work. I also express my unboundful and sincere thanks to the members of my advisory committee, Dr. S. M. Upadhyay, Professor and Head, Dept. of Agricultural Statistics, JAU, Junagadh, for his kind supervision, motivation and support throughout the work. I also wish to thank my other advisory committee, Dr. R. B. Madariya, Associate Research Scientist, Main Oilseeds Research Station, Junagadh Agricultural University, Junagadh and Dr. S. V. Patel, Professor, Department of Biotechnology, JAU, Junagadh

I acknowledge with my gratitude to Dr. A. R. Pathak, the Hon’ble Vice-Chancellor and Dr. V.P. Chovatia, the Director of Research and Dean, P.G. Studies, JAU, Junagadh for giving me an opportunity to improve my career by granting admission for Ph.D. study. I am also grateful to Dr. B. K. Sagarka, the Principal and Dean, College

I am also thankful to Dr. B. A. Golakiya, Professor & Head, Department of Biotechnology, JAU, Junagadh for his moral support and for his valuable suggestions and seeing critically manuscript and to Dr. C. K. Mandavia, Professor & Head, Department of Genetics and Plant Breeding, JAU, Junagadh for her moral support during my work and to support me during my thesis work

I express my sincere and heartfelt thanks to Dr. R. S. Tomar and Dr. H. P. Gajera Associate professor, Department of Biotechnology, JAU, Junagadh and Mr. M. V. Parakhia, Dr. G. V. Maraviya and Dr. U. K. Kandoliya, Dr. A. G. Vala, Dr. Shradhha, Miss Viraj Rathor, Dr. P. G. Rathor Assistant Professor, Department of Biotechnology, JAU, Junagadh

I also express my unboundful and sincere thanks to Dr. Raj Dave, Dr. Tushar Antala, Shital Padhiyar, Visha Rathod, Mitali Kheni who spent their lots of valuable time to help me for completing the research in time and for their help during my research work.

My friend and classmates deserve a special mention and credit for their immense help and moral support to which I always indebted to make my life fun filled during my research work during persuasion of my research work My thanks go to Sweta, Sanjay Jiju, Nimita, Nilam, Hiral, Harshita, Rushita, Priyanka, Vishal, Shuhail, Bharose sir, Kruti, Kirti, Virali, Nidhi, Halak Di and some other people who gave me some advise and encourage during work.

Diction is not enough to express my gratitude to my family, my father Sh. Kiritbhai, my mother Smt. Ritaben, my dearest sister Ishita, my dearest brother Pulah and my beloved nephew Pradumna whose selfless love, filial affection, constant encouragement, obstinate sacrifices, sincere prayers, for always believing in me, blessings and their support in my decisions have always been vital source of inspiration in my life and make me enabled to reach at this stage.
