ACKNOWLEDGEMENT

Indeed the words at my command are not adequate to convey the depth of my feeling, gratitude and indebtedness to my Major Advisor Dr. B. A. GOLAKIYA, Professor and Head Department of Biotechnology, Junagadh Agricultural University, Junagadh for having suggested this work with keen interest and gave his most valuable and inspiring guidance, immense encouragement, concrete suggestions, expert evaluation, enormous help and constructive criticism throughout the course of this investigation and preparation of this manuscript. He taught me to take pride in my work and to do the best I can, long before I ever knew what a M. Sc student could to. I am very fortunate to have him as my Major Advisor.

I am particularly beholden to my minor guide Dr. H. P. Gajera, Asso.Professor, Department of Biotechnology, College of Agriculture, JAU, Junagadh for his kind counsel during my study, for his invaluable suggestion and constant encouragement continuous supervision without which it would not have been possible for me to take this task.

I wish to express my sincere gratitude and thanks to members of advisory committee: Dr. S. V. Patel, Professor, Department of Biotechnology, JAU, Junagadh, Dr. M. K. Mandavia, Professor, Department of Biochemistry, JAU, Junagadh and Dr. L. F. Akbari, Professor and head, Department of Plant Pathology, JAU, Junagadh.

I also record my sincere thanks to the authorities of the Junagadh Agricultural University Junagadh, Dr. A. R. Pathak, Vice Chancellor, Dr. V. P. Chovatiya Director of Research and P.G. Dean and Dr. B. K. Sagarka, Principal, College of Agriculture, JAU. Junagadh, for providing necessary facilities during this scrutiny.

I express my sincere and heartfelt thanks to Dr. R. S. Tomar, Associate Professor, Mr. M. V. Parakhia, Assistant Professor, Dr. Shraddha Bhatt, Assistant Professor, Dr. G. V. Maraviya, Assistant Professor and Dr. U. K. Kandoliya Assistant Professor, Dr. P. G. Rathod Assistant Professor, Dr. A. G. Vala, Assistant Professor Department of Biotechnology, JAU, Junagadh for their help during my research work. I express my sincere and heartfelt thanks to Dr. D. N. Vakharia, Professor, Department of Biochemistry, JAU, Junagadh and Dr. P. V. Patel, Director of student welfare, College of Agriculture, J. A. U. Junagadh.

A valuable help rendered by Dr. C. J. TANK, Ret. Associate Professor, Department of Genetics and Plant Breeding, Sardarkrushinagar Dantiwada Agricultural University, Sardarkrushinagar. I have no words to express my heartfelt thanks to him for his illuminating guidance, unfailing encouragement, valuable suggestions, constructive criticism, amiable behaviour and keen interest throughout the course of this investigation and preparation of the manuscript.

I am very thankful to Dr. M. K. Mahatma, Principal Research Scientist, Directorate of Groundnut Research, Junagadh, Dr. C. G. Joshi, Professor and Head, Department of Animal Biotechnology, College of Veterinary science and Animal Husbandry, AAU, Anand and Dr. P. G. Koringa, Assistant Professor, Department of Animal Biotechnology, College of Veterinary science and Animal Husbandry, AAU, Anand for their valuable help in data analysis and constructive suggestions during entire period of thesis work.
I also express my unboundful and sincere thanks to Dr. Vishal Kothari, Dr. Jasmin Kheni, Shital Padhiyar, Rathod Visha, Mr. Jainin Jadav, Ms. Khyati Rathod, Kishan Sodha, Sameer, Dr. Raj Dave, Dr. Disha savaliya, Mr. H. Z. Hirpara, Naynaben, Mr. Rohit Bhalala, Mr. Vijay G. vyash and Mr. H. M. Chavada and Mr. Vijay K. Bajaniya, who spent his lots of time helped in purchasing the laboratory requirements and assistance for completing the research in time bound and for their help during my research work.

I take this opportunity to express my gratefulness to every staff person, Mr. V. R. Moribhai, Mr. J. M. Sodhabhai, Ms Divya Savaliya, Jalpaben from Department of Biotechnology for providing encouraging and friendly atmosphere.

I like to thanks my colleagues Nimita Umretiya, Nandha Abhijeeta, Desai Hiral, Halak Joshi, Priyanka Timbadiya Vishal Bhatt, Suhail Ahmad and Nirav Delvadiya. The word is limit to express collective spirit of my friends and colleagues, who stood by me during this period and their fantastic company comprising who had shared each and every joy and sorrow with same zeal and enthusiasm. My senior Friend Dr. Tushar Antala, Dr. Roshi Bhadaniya, Jalpa Thakkar, Dr. Hiren Bhalani, Dr. Pritesh Sabara and Dr. Sacheen Raval deserves a special mention and credit for their immense help and moral support during persuasion of my research work.

My friend deserves a special mention and credit for their immense help and moral support during persuasion of my research work. I like to thanks my friend Dr. Dixita Bhadarka, Dr. Shruti Vora, Dr. Rasmieh Hamid, Dr. Chandani, Nidhi Radadiya and Shruti Gundaraniya.

I also like to thanks my junior friends Harshita Kachhdiya, Mital Solanki, Niral Desai, Bhadani Rushita, Shiwani Soni, Shefalee Parmar, Kruti Pansuria, Ankita Josh, Avni Korat, Rucha Patel, Feba, Mira. Priyanka, Darshana, Bhumi, Mahek Virali, Kirti, Kishan Kapadiya, Mayur Jogarana, Rahul Tripathi, Ravi Baria, Ukani Piyush, Pala Abhay, Amar Chudachma.

My special thanks to Krishna xerox : Dipak Jethava for extraordinary effort put in meticulous computer setting of this manuscript within short period of time.

At this inexplicable moment of joy, words are just not sufficient to express my feeling for their love, blessing, affection and encouragement given to me by my beloved Father (Mr. Jethalal), Mother (Mrs. Ushaben), Sweet nephew (Diya), Sister (Divya), Elder brothers (Hitesh and Prakash) and all family members for their constant patience and silent support which have truly helped me during the pursuit of my study.

Indeed the words at my command are not adequately enough to convey the depth of my feeling for "Lord Hanumanji" who bestowed his blessings upon me throughout my life.

Last but not the least, I shall ever, remain thankful and indebted to all those known and unknown hands who directly or indirectly have been associated with the completion of this work and motivated me to achieve my goal.

Grateful and indebted
