ACKNOWLEDGEMENTS

With feelings of divine pleasure the author expresses his sincere and deep sense of gratitude and head-bent indebtedness and heart-melted appreciation to his major advisor and Chairman of his Advisory Committee Dr. Arup Kumar Bhattacharyya, Professor, Extension Education Institute(NER), Assam Agricultural University, Jorhat, for his insightful guidance, untiring help, periodic suggestions, rational criticism and enthusiastic incitement throughout the entire period of planning, investigation, executing the research work and in producing this manuscript.

The author expresses deep sense of gratitude to Dr. R.K. Talukdar, Professor, Department of Extension Education, AAU, Jorhat who was originally assigned as the major advisor to guide this research work and without whose invaluable input this research work would never have been possible. It was under his expert guidance that majority of this research work was completed.

The author expresses his sincere appreciation to the members of his advisory committee Dr. P.K. Neog, Director, EEI, Dr Chandan Hazarika, Director Of Post Graduate Studies Dr. Prasanta Mishra, Associate Professor, Department of Extension Education, Dr. Sajib Borua, Assistant professor (S.G), Department of Extension Education and Mr. S.N. Phukan, Assistant Professor (S.G), Department of Agricultural Statistics, AAU, Jorhat for their valuable academic help, guidance and support during the course of investigation.

The author expresses his thanks to Miss Borsa Guest Lecturer Department of Agricultural Statistics, AAU and Mr Dipak Saikia for their helping hands during data collection, data analysis and typing of the manuscript.

The author is indebted to his wife Mrs Jitamoni Bordoloi, for her sacrifice, constant inspiration moral support and two young child Supriya and Swapnanil, who missed his company during the study. This research work would not have been possible without their help and cooperation for the dream they have for his fruitful future.

It is overwhelming pleasure for the author to express a deep sense of appreciation to Dharmindra Bortamuly and his younger brother Sanjay Bordoloi for their constant support and cooperation throughout the period of study.

The author solemnly offers his gratitude to staff of the Department of Extension Education, AAU and EEI, Jorhat for their valuable suggestions and needful help rendered to him during the course of study.

The author gratefully acknowledge his deep sense of gratitude and deep sincerity to all the dear respondents who provide him the necessary data and showed him the hospitality during the period of data collection.

Lastly, but not the least, the author feels the penury of words to offer his heart bowed regards and appreciation to his mother Soroj Bordoloi, for her constant encouragement for his higher study without whose blessing this research work would never have been possible.
