Acknowledgement

All praises are laid upon the Almighty Allah Who is the Supreme Creator and has given the author His Kind blessings to complete this piece of study.

This dissertation is the fruition of countless hours of thoughtfulness insight and support of many professional and personal influences. For the sake of thanksgiving I recalls everyone’s share in the blitz of presenting this study. Words seem hopelessly inadequate and my diction stands quite prominent to describe my gratitude towards all.

It is my proud privilege to express deepest gratitude and appreciation to my major guide Dr. P. R. Kanani, Associate Director of Extension Education, Junagadh Agricultural University, Junagadh for his thorough, intensive and enthusiastic supervision from the onset of my journey pertaining to this course till date. His dynamic, inspiring and patience guidance, invaluable suggestions, constructive criticisms and insightful comments helped the author in both inside and outside the academic framework for which the author will remember him forever. I am greatly thankful to him for pointing me in the right direction on the many occasions I needed direction. Throughout my time as a Ph.D. student he always saw more potential in me than I saw in myself as a researcher and pushed me to attain excellence in all of my pursuits.

I extend a deep sense of gratitude to acknowledge the benevolent guidance extended by the members of my advisory committee: Dr. R. L. Shiyani, Professor, Department of Agricultural Economics, College of Agriculture, J.A.U., Amreli, Dr. V. J. Savaliya, Associate professor Professor, Department of Agricultural Extension, JAU, Junagadh, Dr. B. N. Kalsariya, Asst. Professor, Department of Agricultural Extension, JAU, Junagadh and Dr. N. J. Rankja, Asst. Professor, Department of Agricultural Statistics, JAU, Junagadh.

I owe my grateful thanks to authorities of Junagadh Agricultural University, Hon’ble Dr. A. R. Pathak, Vice Chancellor, Junagadh Agricultural University, Junagadh, Dr. V. P. Chovatia, Director of Research and Dean, P. G. studies JAU, Junagadh and Dr. B. K. Sagarka, Principal, College of Agriculture, JAU, Junagadh, Dr. Prof. A. L. Vadher, Asstt. Rector & Asstt. Prof., JAU, Junagadh, Ganesh Kulkarni, International Students’ Advisor, College of Agriculture, JAU, Junagadh. I
am also thankful to Mr. M.R. Shah, librarian and all the staff members of Academic Branch, library and affiliated Departments for their cooperation.

Heartfelt gratitude is extended to Dr. D.V. Patel, Associate professor and Dr. Mayur Shitap, Assistant Professor, Department of Agricultural Statistics, JAU for their sincere advise in analysis and interpreting the computed data.

I solemnly acknowledge both ICCR, Min.of Ext. Affairs, Govt. of India and the Ministry of Agriculture, Government of the People's Republic of Bangladesh for the Financial and Administrative support to complete his noble pursue.

I want to thank my friends others whom I have came intimated during stay in Junagadh for their friendship. The author also expresses immense gratitude to all the respondents who for their spontaneous co-operation during data collection. Many thanks to departmental students and seniors for their warm co-operation and kind counseling.

This dissertation is dedicated to my father Mamtaz Uddin Ahmed who was the most influential personality in this endeavor. It would have been never possible to reach this destination without silent blessings, constant inspiration and moral support of my Father and Mother, whom I am in great debt since my birth. Also I express profound gratitude to my in-laws for their prayers, encouragement and patience. I am greatly indebted to my sister and her family for their moral support. May the Almighty Allah abundantly bless them all.

Finally, last but not least I express my deepest gratitude to my wife Dr. Rahanur Akter, my lovely daughter Afeda Tajrian Sumaiya and adorned son Mohammad Jahidur Rahman for their moral support, painstaking patience and immense sacrifice who spared their own happiness for this noble accomplishment. To my wife, her painstaking sacrifices and encouragement was more than an equal partner of this work. Her care, love, support and concern enabled me to persist during the difficult times.

Whatever effort that was possible was only due to the contribution of those above and needless to say any errors remaining are solely mine.
