‘A journey is easier when you travel together’. Interdependence is certainly more valuable than independence. This thesis arose in part out of two years of research that has been done since I joined master. By that time, I have worked with a great number of people whose guidance, support and encouragement contributed to the making of this thesis. I take this opportunity to extend my deep sense of gratitude and words of appreciation towards those, who helped me during the pursuit of my present study.

At this moment, words are not enough to express my sincere sense of gratitude, but I would like to express deepest gratitude and appreciation to my Major Advisor, Dr. Vineet Kumar, Assistant Professor, College of Veterinary Science and Animal Husbandry, Junagadh Agricultural University, Junagadh for his advice and guidance from the very early stage of this research. He provided me unflinching encouragement and support in various ways. I sincerely thank him for his diligent efforts and caring attitude throughout the course of this study.

I am indeed thankful to my Minor Advisor Dr. D. T. Fefar, Assistant Registrar, Junagadh Agricultural University, Junagadh for his kind counsel and valuable suggestions during the tenure of my study and research work.

I gratefully acknowledge Dr. Vivek Kumar Singh, PGTC chairman, Assistant Professor, Department of Veterinary Physiology and Biochemistry, College of Veterinary Science and Animal Husbandry, Junagadh Agricultural University, Junagadh for his supervision, and crucial contribution. His involvement with his originality has triggered and nourished my intellectual maturity. His truly scientific intuition has made him as a constant oasis of ideas, which exceptionally inspired and enriched my growth as a student. I am indebted to him more than he knows.

I would like to thank Dr. S. H. Talekar, Hospital Superintendent & Associate Professor, Teaching Veterinary Clinical Complex, College of Veterinary Science and Animal Husbandry, Junagadh Agricultural University, Junagadh, for his technical help and support during research work.

I am extremely obliged to express my gratitude to Dr. P. H. Tank, Principal & Dean, College of Veterinary Science and Animal Husbandry, Junagadh Agricultural University, Junagadh for providing excellent research facilities and opportunity to pursue my higher study from such an esteemed institute of Gujarat state.

It is my proud privilege to express sincere thanks to the Dr. A. R. Pathak, Hon’ble Vice Chancellor, Dr. V. P. Chovatia, Director of Research and Dean PG studies and Dr. A. M. Parakhia, Registrar, JAU, Junagadh for allowing M.V.Sc. study and providing the necessary facilities to carry out my research work successfully.

I would also like to thank, Dr. J. V. Vadalia, Assistant Professor & Head, Dr (s). V. D. Dodia, N. R. Padaliya, K. S. Gameti, Assistant Professor(s), Department of Veterinary Surgery and Radiology, JAU, Junagadh, for their valuable suggestions
in and during clinics or support in research work and also for their help whenever needed.

Thanks have been extended to Dr. B. A. Golakiya, Head; Dr. H. P. Gajera, Associate Professor, Mr. Rohit Bhalara, Mr. Jaymin Jadav of Department of Biotechnology & Food Testing Laboratory, JAU, Junagadh for their help during SEM and FTIR studies of our samples.

I would also like to keep in mind the help rendered to me by Dr(s). H. S. Savsani, R. J. Padodara, B. R. Bhadaniya, A. R. Ahlawat, V. A. Kalariya, U. D. Patel, Anil Sharma, Vishnedeo, K. B. Vala, R. J. Raval, Vijay Parmar, H. P. Vijeyeta, and Jignesh Chaudhary of this College for their technical guidance and suggestions on various topics related to our work.

I also give special thanks to Dr. Amit Chapadia, Veterinary Officer, Vanthali, Junagadh, Department of Animal Husbandry, Government of Gujarat for their help during my field work.

Friends who have shared the moments of laughter and sorrow can never be forgotten. I thank my friends Dr(s). Shruti Vora, Divyprakash Chorvada, Piyush Chikhaliya, Jimmy Patel, Akash Koshiya, Manish Soni, Kirpal Katara, and Sahul Ahmad for their help, support and wholehearted co-operation during the entire course of research study. I also catch opportunity and thanks to my friend Dr. Ankita Verma for listening, offering advice and supporting me through this entire journey. I also like to thank my beloved juniors Dr(s). Greeshma, Nirali, Harshith, Ram, Mayur, Munja and Juhi and my UG fourth year (2017-2018) juniors for their helping hands during this project.

I sincerely appreciate the whole hearted cooperation and constant help rendered by Vipulbhai, Rohitbhai, Mehulbhai, and Dishaben during entire research period.

Without the support of near and dear ones, this work would not have been a success. I want to express my heartfelt gratitude to my indulgent Parents, Late Mr. Arvindbhai M. Asodiya and Late Mrs. Santaben A. Asodiya whose invisible hands brought me to this stage. I am grateful to my sibling Nirmalbhai, Roshaniben and my sweet younger sister Nidhi, for their kind love, patience, overwhelming support and inspiration.

Finally, I would like to thank Lord Shiva for giving me the strength, knowledge, ability and opportunity to undertake this research study and to persevere and complete it satisfactorily. Without His blessings, this achievement would not have been possible.
