ACKNOWLEDGEMENTS

One cannot achieve any milestone without proper guidance, consultation, words of encouragement and gesture of helpfulness from beloved and respected ones. Although it is impossible to express our true gratitude with just a written note or tiny token, yet, I am here to do the futile effort……

I bid all my success to the Almighty God, I could never reach this successful accomplishment of the project without God’s grace.

With a deep sense of indebtedness, I express my sincere gratitude and deep regards to my revered major guide, Dr. Vineet Kumar, Assistant Professor, Department of Veterinary Surgery and Radiology, College of Veterinary Science and Animal Husbandry, Junagadh Agricultural University, who have created an environment of joy, enthusiasm, creativity and knowledge while teaching with generous guidance, constructive suggestion, whole-hearted encouragement and moral boosting. His scientific approach, crucial planning, execution of work have made this study possible. It was indeed a valuable opportunity for me to pursue my M. V. Sc. study under him. I feel fortunate and proud to be his first PG student.

I would like to express a special note of gratitude to Dr. D. T. Fefar, Assistant Registrar, Junagadh Agricultural University, for his uninhibited help, indispensable suggestions and counsel.

It is like a drop in the ocean of words to admit my gratitude toward Dr. Vivek Kumar Singh, PGTC chairman, Assistant Professor, Department of Veterinary Physiology and Biochemistry, College of Veterinary Science and Animal Husbandry, Junagadh Agricultural University, for his infinite succor, guidance, assistance, moral support, and boundless efforts to embolden me during the whole period of work. I consider myself fortunate to be his student.

I owe a sincere thanks to Dr. V. D. Dodia, Assistant Professor, Department of Veterinary Surgery and Radiology, College of Veterinary Science and Animal Husbandry, Junagadh Agricultural University, for his help, suggestions and constant support throughout the study.

I would like to explore my profound regards to Principal and Dean, College of Veterinary Science and Animal Husbandry, Junagadh Agricultural University, Dr. P. H. Tank for providing opportunity to pursue my higher study from such an esteemed institute of Gujarat state.

I am highly thankful to Honorable Vice Chancellor, JAU, Dr. A. R. Pathak, Director of Research and Dean PG studies, Dr. V. P. Chovatia, and Registrar, Dr. A. M. Parakhia, for allowing M. V. Sc. study and providing me necessary facilities for research work.
I am very obliged to Dr. J. V. Vadalia, Assistant Professor and Head, Department of Veterinary Surgery and Radiology, College of Veterinary Science and Animal Husbandry, Junagadh Agricultural University, and all faculty members of the department namely Dr. S. H. Talekar, Dr. N. R. Padaliya and Dr. K. S. Gamiti, for their unreserved help and support during research work.

I would like to thank Dr. V. A. Kalariya, Assistant Professor, Department of Veterinary Pathology, Dr. A. R. Bhadaniya, Assistant Professor and Head, Department of Veterinary Pathology, Dr. R. J. Padodara, Assistant Professor and Head, Department of Veterinary Physiology and Biochemistry, Dr. U. D. Patel, Associate Professor and Head, Department of Veterinary Pharmacology and Toxicology, Dr. Vishnudeo Kumar, Assistant Professor and Head, Department of Veterinary Anatomy, Dr. Anil Sharma, Assistant Professor, Department of Veterinary Anatomy, College of Veterinary Science and Animal Husbandry, Junagadh Agricultural University, Dr. H. P. Gajera, Associate Professor, Department of Biotechnology, College of Agriculture, Mr. Rohit Bhalala and Mr. Jaymin Yadav for providing laboratory facilities to undertake the research work.

I am glad to communicate my gratitude to my dear colleagues Foram, Akash, Divyaprákash, Kirpal, Manish and Jimmy for their support, encouragement and love. My special thanks are due to sweetest person I know, Dixita for her care, unconditional love and support throughout my stay at Junagadh. I would like to thank my seniors, Dr(s). Chandani and Mithun for their help and support. I would always cherish love and affection I got from my beloved juniors, Nirali, Ram, Harshith, Juhi, Mayur, Tanvi and Grishma.

I appreciate the whole hearted cooperation and constant help rendered by Vipulbhai, Rohitbhai, Mehulbhai, Dishaben and Chitrangbhai during entire research period.

Acknowledgements seem to be incomplete without a word of thanks and appreciation to my beloved parents, Mrs. Harshaben and Mr. Dineshbhai. Their unconditional love, whole hearted support, endless sacrifices, patience and prayers helped me materialize my dream into reality.

Lastly, I shall ever, remain thankful and indebted to all those known and unknown hands who directly or indirectly have been associated with the completion of this work and guided me to the right path.
