ACKNOWLEDGEMENT

I have great pleasure and privilege in expressing my deep sense of gratitude and sincere regards to the most influential person in my postgraduate career, my major guide, Dr. B. B. Kabaria, Senior Scientist and Head, Krishi Vigyan Kendra, JAU, Targhadia (Rajkot) and chairman of my Advisory Committee for expertly evaluating, judiciously correcting and continually offering his inspiring guidance, constant encouragement and help during the course of investigation and preparation of manuscript.

I also express my unboundful and sincere thanks to the member of my advisory committee, Dr. N. G. Mayani, Associate Professor, Department of Plant Pathology, College of Agriculture, JAU, Junagadh and Dr. M. F. Acharya, Professor & Head (I/c), Department of Entomology, JAU, Junagadh and Dr. D. V. Patel, Associate Professor, Department of Agril. Statistics, JAU, Juanagadh for their useful and valuable suggestions rendered at various stages of the investigation.

I acknowledge with my thanks to Dr. A. R. Pathak, the Vice-Chancellor and Dr. V. P. Chovatia, Director of Research and Dean, P.G. Studies, JAU, Junagadh for giving me an opportunity to improve my career by granting admission for M.Sc. study. I am also grateful to Dr. B. K. Sagarka, the Principal, College of Agriculture, JAU, Junagadh.

My unboundful and sincere thanks to Dr. M. F. Acharya, Professor & Head (I/c), Department of Entomology, JAU, Junagadh for his valuable suggestion and seeing critically manuscript.

I especially thankful to Shri. J. B. Bhut, Assistant Research Scientist, Main Oilseed Research Station, JAU, Junagadh and Shri. M. V. Variya, Assistant Research Scientist, Cotton Research Station, JAU, Junagadh and other staff members’ of Department of Entomology Dr. D. M. Jethva, Dr. K. D. Shah, Shri. M. K. Ghelani, and Shri. S. R. Patel for providing guidance and help to me during the study period.

I also especially thankful to Shri. M. J. Chudasama, Agril. Assistant, Department of Entomology, JAU, Junagadh for their knowledge and advice for each
and every step of my research work and Shri. R. J. Rathod for their kindly support in my research work as and when I required.

I own my loving thanks to my team members Patel Tejas, Kotak Jigar, Katariya Dipak, Rathod Atul, Devananda, Vaja Abdul, Luna Khimnanand, Bangle Samadhan, and Jotangiya Kartik, Virani Avi for their valuable assistance and moral support work during work.

I am grateful to my seniors Chudasama Kaushalsinh, Jadav Dharmesh, Karkar Mitul, Wadaskar Pankaj, Dhange Sachin, Kachot Aakash, Kanjiya Ravi, Godhani Bhavesh and Chandravadiya Tejal and other seniors also for their timely help and kind cooperation during the course of my study and field work for their encouragement and helpful suggestion during work.

I am grateful to my junior Patel Meet, Patel Kaushik, Trivedi Nikhil and other also for their timely help and kind cooperation during the course of my study and field work for their encouragement and helpful suggestion during work.

It is with deepest sense of gratitude that I wish to place on record the immense debt that I own to my beloved and respected parents. It is just because of their countless sacrifices and blessing; I have been able to accomplish this much. My father Shri. Bharatbhai V. Kaneria and my mother Smt. Hansaben B. Kaneria and whole my family always shows me the way of win that is why I always want to be winner in each stage of life.

My special thanks to Dipakbhai Jethwa and Bhavinbhai Jethwa (Krishna Xerox), excellent word processing and formatting of this manuscript.

There are number of well wishers to whom I cannot forget and I thank to one and all associated with me directly and indirectly.

Last but not least, I am short word to express the grace to GOD “Shiddheshwar mahadev” and “Umiya Mataji” which are ever with me with their blessings.
