ACKNOWLEDGEMENTS

First of all, I offer million gratitude to God, the almighty who made me do this task and made every job a success for me. He was the greatest source of all resources and provision, moral or without whose grace nothing is possible.

It is my proud privilege to express my devout gratitude and indebtedness’ to my major Guide Dr. T. D. Mehta, Associate Professor Department of Farm Machinery and Power Engineering, College of Agricultural Engineering and Technology (CAET), Junagadh Agricultural University (JAU), Junagadh for his thoughtful guidance, constant fomenting, punctilious and impeccable advices throughout the course of present study, which inspired me to carry out the research work in time.

I express my deep sense of gratitude to Dr. A. R. Pathak, Vice chancellor, Dr. V.P. Chovatiya, Director of Research and Dean P. G. Studies, Junagadh Agricultural University, Junagadh and Dr. N. K. Gontia, Principal and Dean, College of Agricultural Engineering and Technology, Junagadh for providing necessary facilities during the course of the study.

I feel deep sense of gratitude to express my heartfelt thanks to Dr. P.N. Sarsavadiya (Minor Guide) Professor, Dept. of REE, CAET, JAU, Junagadh & Dr. R. K. Kathiria (Member), Associate Professor, Office of the Directorate of research, university bhavan, Junagadh & prof. A. L. Vadher (Member), Assistant Professor, Dept. of Farm Machinery & Power Engg., CAET, JAU, Junagadh & Dr. N. K. Mishtry (Member), Associate Professor, Dept. of REE, CAET, JAU, Junagadh for his constant encouragement and kind help in providing necessary facilities in time made the research study an achievement.
It is proud privilege to offer sincere and well devoted thanks to Dr. V. K. Tiwari, Professor & Head, Dept. of Farm Machinery & Power Engg., CAET, JAU, Junagadh & Dr. K. B. Jhala, Research Engineer, Dept. of Farm Machinery & Power Engg., CAET, JAU, Junagadh & Dr. K. K. Jain, Professor, Dept. of Farm Machinery & Power Engg., CAET, JAU, Junagadh & Dr. M. S. Dulawat, Assistant Professor, Dept. of Farm Machinery & Power Engg., CAET, JAU, for their help and support which give me inspiration to do something pioneer in the field of Farm Machinery and Power Engineering.

I gratitude and very hearty thankful to Mr. Hiren Sekhda, Leb Technician, Department of Farm Machinery and Power Engineering, College of Agricultural Engineering and Technology.

It is proud to offer sincere thanks to Dr. N. B. Parmar, Assistant Professor Department of Farm Engineering of College of Agricultural Engineering and Technology, Junagadh for their kind support and help in design of my experimental study.

I Express great thankful to Dr. D. V. Patel, Associate Professor, Department of statistic, College of Agriculture, Junagadh for great moral during my study.

Sky is the limit to express a deep sense of gratitude to Sweet & lovely friends Kiran, Krunal, Mahesh, Hiren, Abhishek, Prakash and all other M. Tech. students and all well-wishers for their help, encouragement and cooperation. It may not be possible to mention name of all my friends. I am sincerely thankful to those who helped me directly and indirectly.

I would like to thank my all of family, especially my Mother Mrs. Bhanuben, Father Mr. Chunilal, Brother Jenish for their undying support for my return to world
to complete this task, their unwavering support in all of my endeavors continues to provide me with the confidence that I can complete whole study.

I would like to thanks my sister Janaki Kapadia, who always are there to support me for complete my study.

Place: Junagadh
Date: 02/08/2018
