ACKNOWLEDGEMENT

I think if any of us honestly reflect on who we are, how we got here, what we think, we might do well, and so forth, we discover a dept to others that spans written history. I believe it’s appropriate to acknowledge all of these unknown persons; but it is also necessary to acknowledge those people we know have directly shaped our lives and work.

First of all, I bow my head with extreme regards before lord “Krushna”, whose blessing enable me to reach this destination. I thank the almighty God for giving me strength and perseverance to complete my M.V.Sc. degree in this prestigious university and for my stay in incredible world.

I express deepest gratitude and appreciation to my Major Guide, Dr. S. S. Patil, Former Assistant Professor, Department of Animal Nutrition, College of Veterinary Science & Animal Husbandry, JAU, Junagadh who laid the foundation upon which the frame work of my thesis stands and whose judicious supervision, keen interest, constructive criticism and expert guidance inculcated in me a sense of activism, which turns my aspiration into a concrete reality with completion of this endeavor. Each time I met, his warm smile and encouragements gave me a lot of strength. His very cordial behavior would always remain beacon light on me in future also. Thank you.
