ACKNOWLEDGEMENT

When I look back to the odyssey to this stage, where I stand today with the kernel of my academic endeavor, I feel immensely indebted to all known and unknown forces, who gave me strength to move on, and several learned souls, who enlightened my path through their knowledge and experience.

I express deepest gratitude and appreciation to my Major Advisor Dr. B. S. Mathapati, Assistant Professor, Department of Veterinary Microbiology, College of Veterinary Science and Animal Husbandry, Junagadh Agricultural University, Junagadh, for his incredible, judicious and constantly motivating guidance with constructive criticism, persistent encouragement, active persuasion, diligent efforts and caring attitude throughout the course of this study. It was indeed a valuable opportunity for me to pursue my M.V.Sc. study under a potent and brilliant man like him. If at all, an efflorescence element is witnessed in my work the entire credit goes to his blessings.

I take this opportunity in expressing my heartfelt thanks to my Minor advisor Dr. V. K. Singh, Assistant Professor, Department of Veterinary Biochemistry, College of Veterinary Science and Animal Husbandry, Junagadh Agricultural University, Junagadh who introduce me to the vistas of research and of relentless effort, sagacious guidance and flawless planning, continuous motivation and indispensable suggestions and counsel during the entire study.

I am thankful to the members of my advisory committee Dr. J. B. Kathiriya, Assistant Professor, Department of Veterinary Public Health & Epidemiology, College of Veterinary Science and Animal Husbandry, J.A.U., Junagadh and Dr. D. T. Fefar, Assistant Registrar, Junagadh Agricultural University, Junagadh for their useful suggestions and valuable guidance throughout the course of my study.

I express my sincere thanks to Dr. P. H. Tank, Principal and Dean, College of Veterinary Science and Animal Husbandry, Junagadh for providing research facilities and an opportunity to pursue my higher studies from such an esteemed institute of Gujarat state.
I am also thankful to Dr. A. R. Pathak, Hon. Vice Chancellor, Junagadh Agricultural university, Junagadh, Dr. V. P. Chovatia, Director of Research and Dean PG studies, J.A.U., Junagadh and Dr. A. M. Parakhya, Registrar, J.A.U., Junagadh for allowing me to study M. V. Sc. and providing me all facilities during entire study tenure. I also take this opportunity to thank former PGTC chairman Dr. H. H. Savsani, Associate Professor & Head, Department of Animal Nutrition, former UGTC chairman Dr. U. D. Patel, Associate Professor & Head, Department of Veterinary Pharmacology & Toxicology, UGTC chairman Dr. B. B. Javia, Assistant Professor & Head, Department of Veterinary Microbiology and PGTC chairman Dr. V. K. Singh, Assistant Professor, Department of Veterinary Biochemistry along with the clerical staff (Mr. Pratik Morasada and Mr. J. D. Parmar) for their timely support and academic assistance.

I am obliged and grateful to Dr. B. B. Javia, Assistant Professor & Head, Department of Veterinary Microbiology, Dr. D. B. Barad, Assistant Professor, Department of Veterinary Microbiology and Dr. S. N. Ghodasara, Assistant Professor & Head, Department of Livestock Production Technology, College of Veterinary Science and Animal Husbandry, Junagadh for their help throughout my Post-graduation.

I am equally grateful to Dr. D. R. Kamani (Research Associate, Wildlife Project), Mr. Hardik B. Gareja (laboratory Assistant) Department of Veterinary Microbiology, College of Veterinary Science and Animal Husbandry, Junagadh and best friends for their valuable suggestions and constant help during the tenure of my study and research work. I was fortunate enough to share joyful moments with them.

I am very glad to acknowledge the encouragement, support and help offered by non-teaching staff of our department, Shree C. S. Parmar, Shree A. H. Unadkat (Laboratory Technicians) and Mr. Ashish B. Paghdar (Laboratory Attendant) for their tireless help rendered during the entire period of post-graduation.

My vocabulary utterly fails in expressing my accolade to beloved family who brought me to this stage. I fall short of words for the moral
support extended by my father Shree Manharsinh, mother Sajjanba, elder brother Dharmendrasinh, Sister in law Anjanaba and Niece Kavyaba for their kind blessings, love, patience, overwhelming support and inspiration. I take this opportunity to dedicate this work to them.

Having expressed these thoughts, I am once aware that such an acknowledgement in no way projects withers the depth or extent of my gratitude to the few mentioned and whole of unmentioned help extenders. To all who deserve such thanks, I apologize for omission and inadequacy of this written.

Last but not the least; I thank all those who helped me directly or indirectly in the completion of my study. I bow-head in extreme regards to the omnipotent, omniscient almighty God, whose blessing enabled me to reach this destination.
