Acknowledgement

Words cannot express my profound sense of glowing gratitude to the Lord Almighty for his grace, guidance, strength and his countless blessing on me to complete this work successfully.

I am privileged to express my deep and heartfelt gratitude and veneration to the members involved in completion of my thesis. I extol the genuine, immaculate guidance and every suggestive help offered to me by the chairman of my advisory committee, Dr. A. Upendra Rao, Professor, Department of Agronomy, Agricultural college, Naira for his precious, affectionate encouragement and convincing suggestions for planning the present investigation. I am indebted to him for his wise counsel, invaluable and inspiring guidance, meticulous, constant help, persistent encouragement, parental care and affection during the course of my study. I thank him for his indefatigable patience, kindness, outspent efforts, hand and cuff approach and consistent efforts during the thick and thin of my work, deserve high extolment.

With deep respect and deep sense of gratitude I owe my indebtedness to member of my advisory committee Dr. A. V. Ramana, Professor & Head, Department of Agronomy, Agricultural College, Naira for his valuable suggestions, whole hearted cooperation, meticulous attention and unabated help which greatly contributed to the enrichment of the thesis.

I wish to express profound sense of gratitude and esteem regards to member of my advisory committee Dr. P. Guru Murthy Associate Professor & Head, Department of Soil Science and Agricultural Chemistry, for his cordious treatment, worthwhile suggestions and encouragement during the period of study.

I deem it a great pleasure to exhibit my inexplicable gratitude to Dr. P. V. Krishnayya Associate Dean, Agricultural College, Naira for showing expeditious co-operation and valuable suggestions during my study.

I owe my gratitude to sri B. Rajendra Kumar, Farm Superintendent, Dr. M. Srinivasa Rao, Assistant Professor, Department of Agronomy for keeping abreast of me and providing his valuable help when ever needed, during the period of my investigation.

I express my immense of gratitude Dr. S. Dhurva, Assistant Professor and OAM (Pg), Department of Entomology, for his kind cooperation and valuable suggestions during my post graduate programme.

I express my immense of gratitude to Dr. S. Govinda Rao Assistant Professor, Department of Mathematics and Agriculture statistics, Dr. Yasmin, Assistant Professor, Department of Soil
Science and Agricultural Chemistry, Dr. M. Anil Kumar, Associate Professor, Department of Entomology, Dr. M. Suresh, Associate Professor & Head, Department of Entomology, Agricultural College, Naira for their kind cooperation and valuable suggestions during my post graduate programme.

It gives me great pleasure to extend my thanks to Dr. B. Venkateswarlu, professor, Department of Agronomy, Agricultural college, Bapatla and Maruthi, non teaching staff for their kind cooperation and valuable suggestions during analysis.

I humbly express my sincere thanks to the staff members of the Department of Agronomy viz., Hemalatha and P. Pratyusha, Department of Horticulture (Teaching Associates) and non teaching staff of Agronomy viz., Uma Mahesh and Ramana for their valuable suggestions and cooperation during my analysis and thesis work.

I am thankful to Kameswara Rao, Chinna Babu, Uma Mahesh, Ramana, Nageswara rao and the other non-teaching staff, Department of Agronomy, Agricultural College, Naira, for their timely cooperation during the course of work. I am thankful to our College librarian and other library staff for providing necessary facilities.

Words fail to express my gratitude to my parents Sri. Brahmaji Rao and Smt. Jyothi for their unparallised love, blessings, inspiration, encouragement and moral support throughout my educational career.

My keen sense of gratitude to my seniors, Ramyasri, Swathi, Harika, Vijaya lakshmi, my friends Suresh kumar, Salomi, Sangeetha, and Harish whose friendly opulence, cooperation extended feelings shared through the brighter cloudier phases will be remembered forever. Words are not enough to express my heartfelt thanks to whose friendly opulence, generous care, cooperation extended feelings shared through the brighter cloudier phases will be remembered forever. I place on record special thanks to my juniors Bhanu Priyanka, Susmitha, Venkata Ramana, Raja Rajeswari, Sabitha, Gowthami, Jyothi and Indhira who helped me in my research work.

I express my immense and whole hearted thanks to ANGRAU providing financial assistance Lam, Guntur.

Above all, my whole hearted salute to every individual for their grace and fruitful blessing.

Any omission in this brief acknowledgement doesn’t mean lack of gratitude.
